Book Compares Men's, Women's Sex Preferences

A Billion Wicked Thoughts, by neuroscientists Ogi Ogas and Sai Gaddam, compiles research on women's Internet behavior and points to differences between males and females. The authors' research of Web searches, personal search histories and classified ads; and their insights from brain science shed light on differences between the genders.

Among the insights: The male brain is designed so that any stimulus can trigger arousal. For some, a single cue is necessary and sufficient, which is what makes a fetish a fetish. For instance, some men get turned on in the presence of attractive shoes or feet, and need to see that in order to feel stimulated. On the other hand, fetishes are extremely rare among women. The female brain usually doesn't respond to a single trigger every time; there can be lots of different combinations of things that can get them in the mood. Following are two real search histories:

MAN: college cheerleaders; cheerleaders in Hawaii; pics of bikinis and girls; pretty girls in bikinis; girls suntanning in bikinis; college cheerleader pics in bikinis; nooooooooo; christian advice on lust

WOMAN: orlando bloom as vampire fanfiction; 321 sex chat; kingdom of heaven fanfiction; cinderella wedding dresses; gossip on orlando bloom; legolas erotica; legolas heterosexual erotica; evil orlando bloom dark fanfiction

The woman tends to prefer stories ("fanfiction" or narratives based on existing movies/TV/literature) while the man searches for specific images. The majority of these fanfiction stories are romantic and lightly erotic, but plenty of women like graphic erotic stories, too. This one gal is particularly interested in Legolas from "Lord of the Rings" and the actor who portrays him, Orlando Bloom.

A minority of women does watch visual porn. Based on analyses of user profiles on a porn Website, these ladies tend to be more socially aggressive, comfortable taking risks and open to bisexual experiences. They also tend to have a higher sex drive. Men's sexual interests are pretty solid by age 25. Women, on the other hand, have much more flexible and dynamic interests during a lifetime.

The authors point out that individual tastes and preferences are difficult or impossible to modify. Yet everyone assumes his or her own interests are the norm, and we quickly label anything else weird or even dangerous, Gaddam said.

Utah's Thought Police Outlaw 'Hooker' Gestures

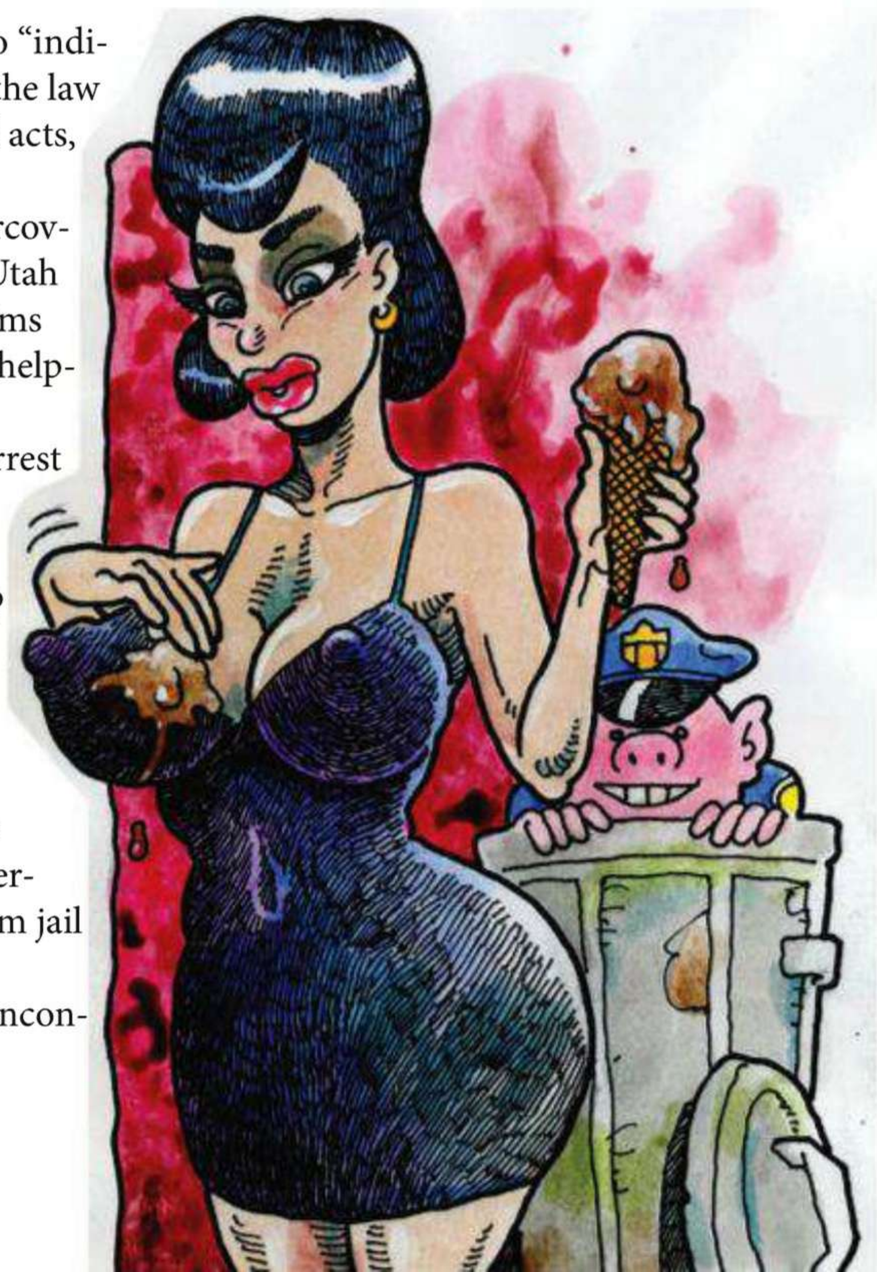

A new Utah law makes it a crime not just to explicitly offer sex for money, but also to "indicate, through lewd acts," that you're willing to do so. According to the Associated Press, the law expands the definition of solicitation "to include any person who indicates through lewd acts, such as exposing or touching themselves, that they intend to exchange sex for money."

Police say the new legislation will stop a tactic prostitutes allegedly use against undercover police: asking them to touch themselves to prove they're not cops. The bill's sponsor, Utah State Representative Jennifer Seelig, also says it will help target underage trafficking victims who are "trained to evade arrest," and that arresting them would be the first step toward helping them.

Two escort services are suing to block the law, arguing that it could allow police to arrest people who have no intention of engaging in prostitution. Says Andrew McCullough, a lawyer for the plaintiffs, "Most girls who touch their breasts are not telling you they're open for sex." Indeed, the legislation could allow cops to target legal businesses, like strip clubs. The new law seems to give police a lot of leeway to arrest people simply for moving suggestively, but police claim they won't "target anyone who is not a prostitute."

Of course! In their omniscience, Utah police know who the prostitutes are before they've been tried and convicted. Strippers and other libertines need not worry because everyone can trust the intentions of law enforcement in a conservative, theocratic police state. Rep. Seelig's good faith is similarly transparent — it's not that she's against sex or personal liberty, no; her care for trafficked children is just so deep that she wants to give them jail time and criminal records.

There's hope for free speech ... er, free gestures: A nearly identical law was declared unconstitutional in 1988.

Professor Arrested For Running (Cool) Prostitution Website

A longtime New Jersey physics professor has been operating a Website that may have catered to hundreds of prostitutes and clients, according to police in New Mexico. And they say his motive, if not purely academic, was more "hobby" than profit.

David Flory was arrested at an Albuquerque Starbucks and charged with 40 counts of promoting prostitution. He's being held on $100,000 bond. Albuquerque Police Lt. William Roseman told The Associated Press that Flory's password-protected Website, Southwest Companions, had been the subject of a vice investigation for six months after police received tips from prostitutes and johns. Roseman said the site had been in operation about three years and had something like 1,400 members — about 200 prostitutes and 1,200 johns. Most members were in the Albuquerque-Santa Fe area, though some postings originated in Phoenix and Denver.

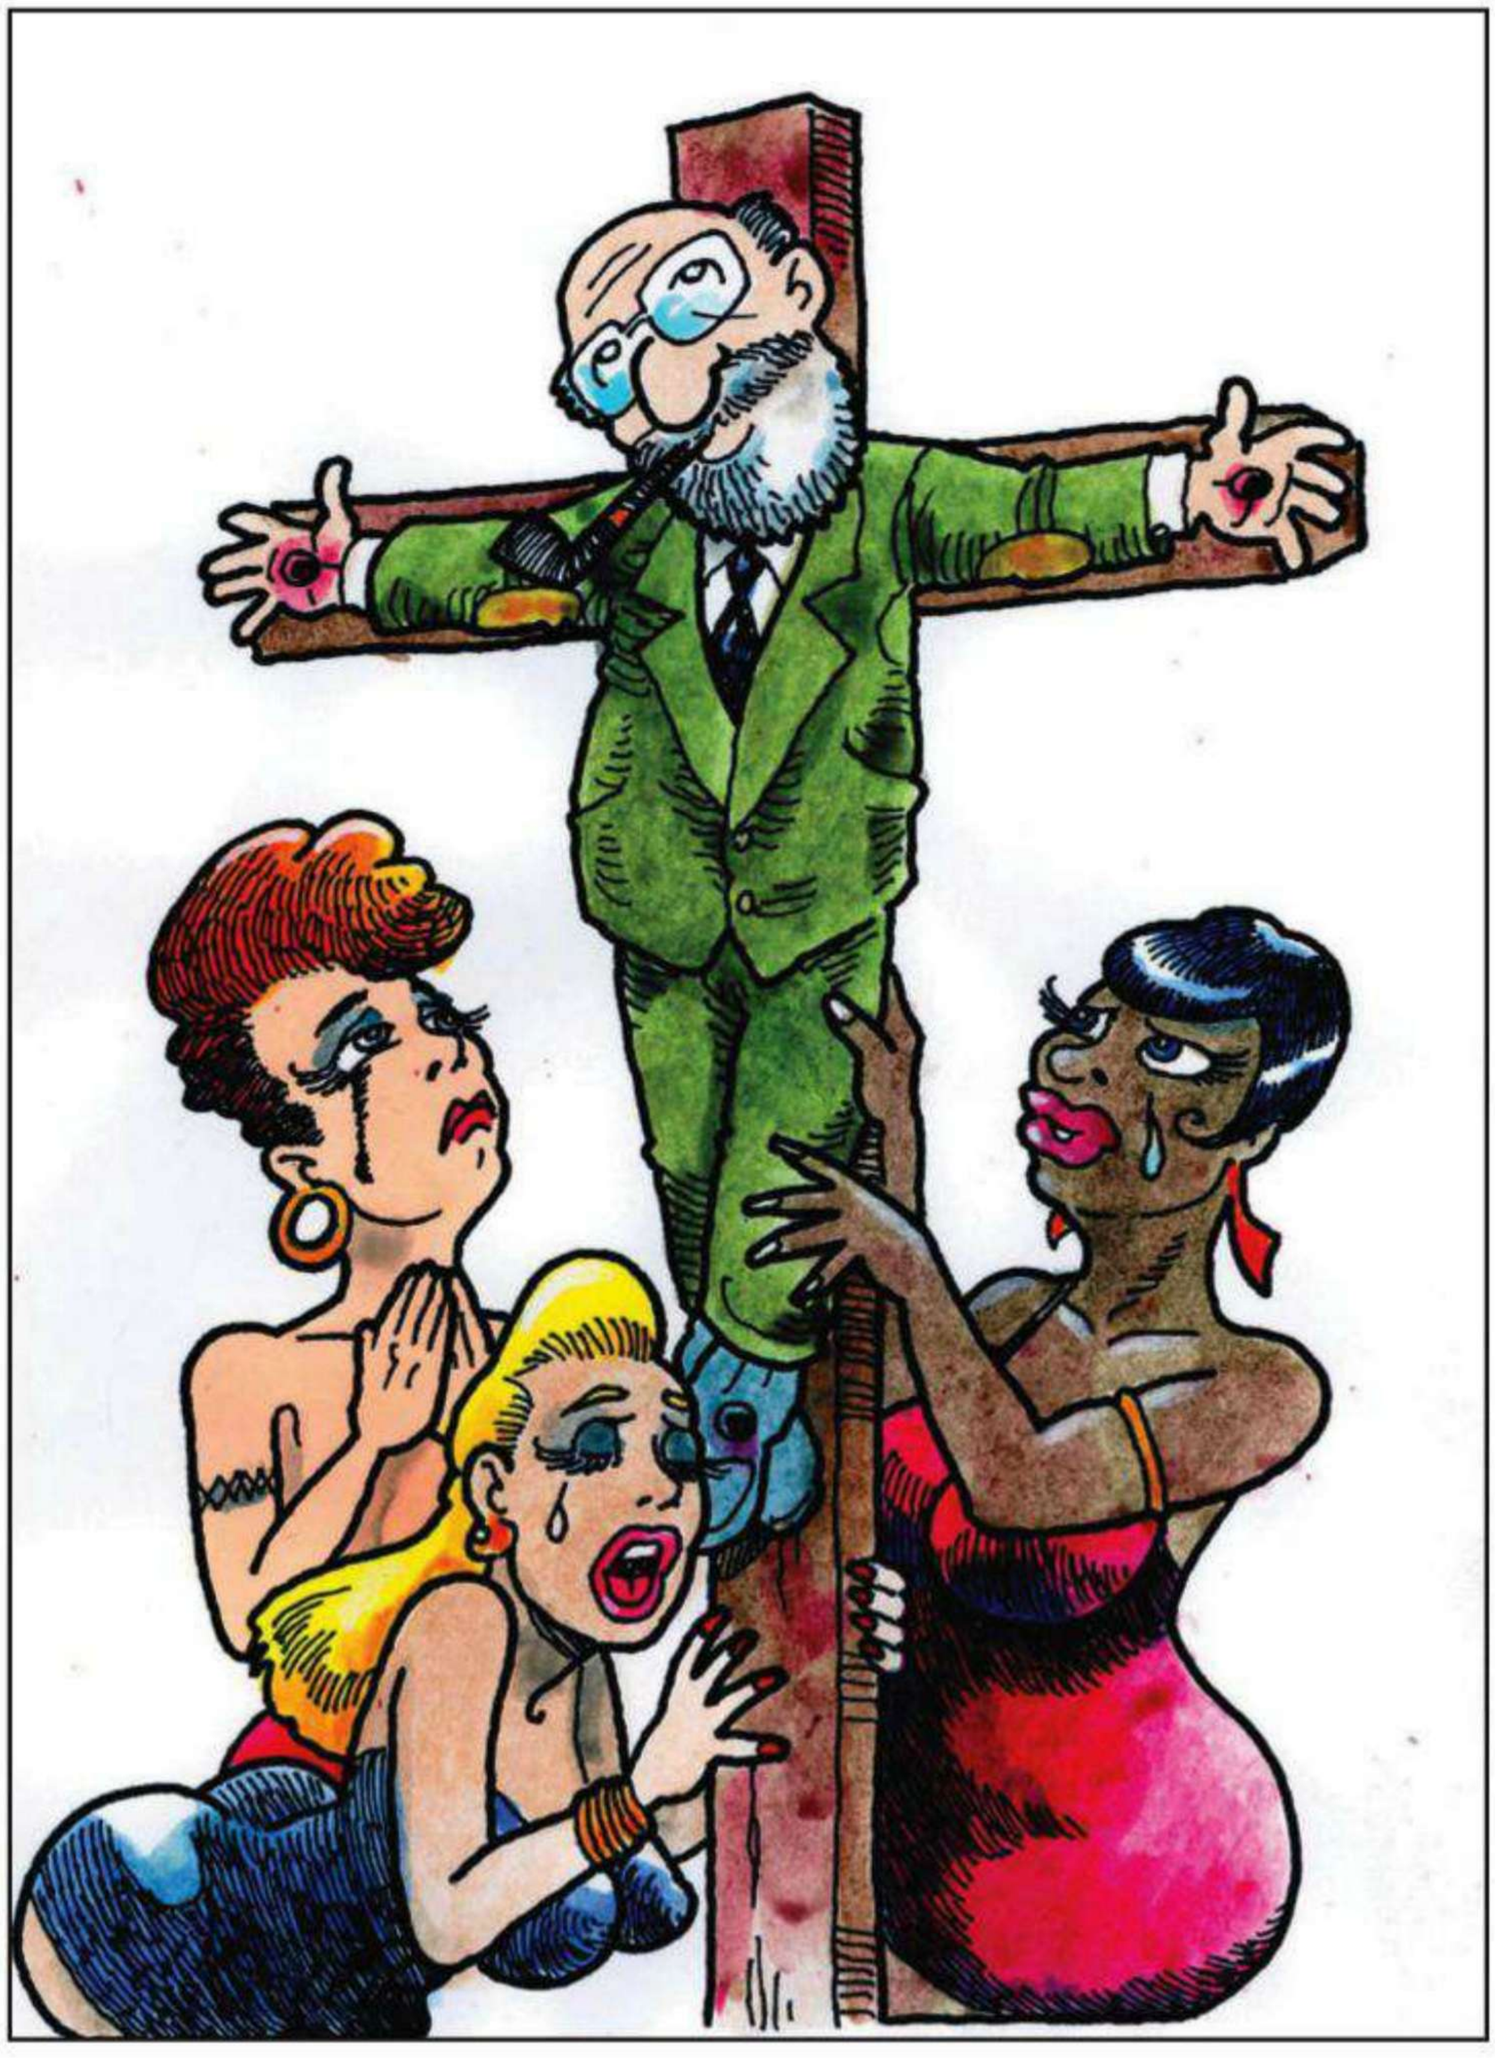

According to his Website, the 68-year-old Flory has taught at New Jersey's Fairleigh Dickinson University since 1969 and has been a physics professor there since 1980. A married father of three, Flory lives in an apartment on New York's Upper West Side with his wife, Sharon, a psychotherapist specializing in eating disorders. They have a vacation house in Santa Fe, according to Flory's Website.

The alleged prostitution site apparently wasn't lucrative for Flory. "He said he was not in this for the money," Roseman told the AP. "He flat-out told us his thing was he wanted to create a safe place for prostitutes and johns to get together. He called it a hobby." Roseman said Flory also is believed to have enjoyed the services of some of the prostitutes when he traveled to New Mexico.

Roseman said the site had three levels: Probation, Verified and Trusted. "In order to get off Probation, you had to sleep with one of the prostitutes on the Website and she in turn would tell the moderator (Flory) what acts occurred, how much they paid and any comments," he said. "That opened you up to Verified status. Once you got into Verified status, that opened you up to different girls available. Then, some would e-mail the moderator, 'This is the act, this is how much he paid, these are my comments about it.'" After so many of those, Roseman said, members moved into Trusted status, which afforded access to features such as training videos on what to do if caught by police. Members who reached the Trusted level also could rate prostitutes.

Comment: News stories concerning prostitution usually come with politically correct whining about everything from ill-defined societal decay to human trafficking. (See report at left.) But here's a story where the alleged pimp seems like a smart, conscientious guy providing an invaluable service for both working girls and their customers. As described here, Southwest Companions would have prevented many hazards commonly associated with prostitution. Besides, a few more operations like Professor Flory's is alleged to be would help society overcome the sexist notion that sex work necessarily demeans practitioners; and the paternalistic presumption that sex pros aren't fit to make their own choices. Nah, we couldn't allow that in the Land of the Free.

Introducing DAVID PERRY and His "HOSE MONSTER" Girls

All Photos from "Hose Monster"

Evil Angel's newest director is David Perry. The veteran performer and lensman brings adventurous sexuality and a wealth of experience — he says he's performed in "1500 scenes more or less" since 1993, and since 2003 he's honed his directing chops by creating something like 350 XXX scenes. "I never [thought of] a career in porn before I started," he says, "but [when] I got the chance to do it, I never let it go." Coming on August 22 is David's first Evil Angel movie, "Hose Monster," which demonstrates his particular penchant for presenting the kind of sexy girls who enjoy multiple cocks.

Scott Small: First some background — where are you from?
David Perry: I'm French and born in 1970 in the city of Rambouillet, close to Paris — around 25 miles.

SS: French people like yourself, Manuel Ferrara, Christoph Clark and Katsuni seem to enjoy uninhibited sexuality. Can you make any generalizations about the sexual qualities of the French?
DP: Charm, love and passion together.

SS: What directors have influenced your work?
DP: John Stagliano, John Leslie, Christoph Clark and Rocco Siffredi for me are the mentors of this industry. [I want to] show to the people the way I see the sex, and also to be recognized not only like a performer, but also like a director.

SS: Your first Evil Angel release, "Hose Monster," features scenes with girls devouring multiple cocks. Will your movies continue to feature that kind of action?
DP: Yes, some of them for sure.

SS: What do you think drives the kind of girl who really loves sex and gets off on playing with multiple pricks?
DP: I don't really think there is a kind of girl who likes sex with multiple cocks; just some do it and some not. I think for the girls who have that kind of sex in mind, it's like any kind of drugs for them — they want always to try more and more. When you ask their sexual fantasy, most of them will tell you their fantasy is to be fucked by at least two men.

SS: Buttman says he's seen you play tennis, and he thinks that if you had grown up in the U.S. you would throw a 100 mile-per-hour fastball...
DP: Yes, maybe if I had grown up in U.S.A. I would [have gone] to college and maybe start to play baseball or football and have a different career, but I really think I was born to be in this industry.

Evil Angel's Buttwoman New To DVD! Release Date: 8/1

Heather Lere eats Missy Warner

Tianna shoots Missy Warner and K.C. Williams

Finally! Twenty years after the release of the original movie (on VHS) comes the DVD debut of an Evil Angel classic, "Buttwoman." The late, legendary Bruce Seven directed the all-girl project, employing Buttman's then new gonzo concepts and his ass-obsessive perspective. "Bruce Seven was my mentor, my partner in perversion and one kinky motherfucker," John Stagliano states today. He further recalls, "Bruce directing 'Buttwoman' was one of the defining moments in the infancy of Evil Angel. This movie has Bruce exploiting girls he used many times, training them in his perverted ways. They loved to show off for him. Tianna is Buttwoman. She was the first true Evil Angel star: natural, sexually sophisticated and of course with a great ass. She debauches Porsche Lynn, Heather Hart, Trixie Tyler, along with sultry Kathleen Gentry and the unbelievable body of Missy Warner. And many more!" When the movie came out, *AVN* called it, "one helluva vicious, visual, salivary onslaught."

More recently, Buttman's attention has been devoted to his series of "Stretch Class" DVDs, wherein hot and flexible girls expand their bodies, orifices and sexy minds. Now comes "Buttman's Stretch Class: Detention," featuring some particularly incorrigible students. John explains, "'Detention' happens when I find out that certain girls have been doing things that are more extreme than what is normally allowed in class. In this first edition, I find that Kelly Divine is capable of having her pussy lips stretched by my nipple stretcher. Also, she needs an anal speculum to stretch her ass properly. This is way more work than I am paid as a teacher in this underfunded private school, so I take advantage of the girls to make up for this injustice." See photos from all three "Detention" scenes in this issue: Kelly on page 103; Jynx Maze on 81 and Alexis Texas on 5. We're not sure whether that ought to be a detention list or the honor roll.

Once "Detention" has been served, "Stretch Class 8" will be in session with Buttman presiding. John tells us that it "features new Texas girl Briella Bounce, who has huge, heavy ass cheeks. Stretching those puppies apart was a major operation, but worth it." The educator describes another teacher's pet: "Tall, sultry Kara Price has a fine ass, but it is not really as big as I like. But her nipples can take so much stretching that I had to give her an A for effort."

Raul Cristian's Cruel Media company steps up with the latest in their "Anal Attack" line, and the new sixth volume delivers ass-drilling fun worthy of the Buttman Magazine Choice line. Cruel Media's Mia tells us about one special surprise in the movie: "When Melinda arrived and I saw her without make-up on, and with that sweet smile on her face, I said that maybe we should call the agency and change the model — I don't know why I had the feeling that she [was] not the right girl for this. But Frank Gun said to wait a little and let her get ready and in the mood. He'd had a few scenes with her before, and he really knows what he is talking about. He was right. When we said, 'Action,' she suddenly transformed into a seductive and determined bitch that let Frank fuck the living shit out of her," Mia laughs. That "Anal Attack 6" has ass fucking in every scene is no surprise.

Underwear pervert Kevin Moore is back with "Panty Pops #3," the latest edition of his POV panty fetish series. He's assembled a stunning bevy of sexy sluts who tease and please men with their naughty skivvies. Gorgeous XXX superstar Tori Black, sweet-faced Lexi Belle, spunky Latina Emy Reyes, voluptuous stripper Isis Taylor and obedient, young Chastity Lynn are among the cast in fetishy vignettes centered on panty play. Obsessed cameraman Kevin is constantly getting caught peeping on girls' intimate moments, till the ladies take the lead and model various styles of sheer nylon, lace, spandex or soft cotton underthings. The horny girls surprise Kevin with panty-wrapped hand jobs or POV blow jobs, and often let him fuck his way past their cotton or silk drawers. From full-cut panties to skimpy, barely there thongs, the lucky fucker gets to rub his cock on wedgie-bound asses and squirt his semen on pantied pussies.

"FemDom Ass Worship 10" is director Glenn King's newest entry to MeanBitch Productions' face-sitting/foot worship/male degradation series. Striking but harsh mistresses delight in proving their superiority with vicious words and sexual bullying. Preceding each scene: a POV segment in which the haughty domme teases the viewer with her ass and calls us excitingly humiliating names. Aggressive dungeon wench Tory Lane demands foot and anal tongue worship. She pinches her slave's nose shut, grinds her fat ass on his face, jacks him off and sends him back to his cage. Huge-assed Latina Brooklyn Lee confuses an attorney into sucking her bare feet and rimming her queenly bunghole. High-heeled gold digger Kimberly Kane tramples her pathetic male client to pay her for the privilege of tongue-cleaning her asshole and sucking her stinky toes. Husky voiced dominatrix Michelle McLaren mocks and abuses Kyle Stone in a fiendish, cuckold-themed scene of rough, pitiless smothering.

Freaky Italian director/performer Omar Galanti brings his "Ass Madness 2" to Buttman Magazine Choice, where it fits snugly among all the kinky butt obsession and anal perversity. On a short break from searching Russia for more of the world's most flexible butt sluts, Omar contacted us to talk about the ass he put in "Ass Madness 2." He describes the movie as, "normal gonzo style," but, "as always, different from other films in Europe or America." About the new movie's girls he notes, "There is the fact that Russian women are not professional, and many times after filming a few scenes [they] disappear. Tina White is one of them. She worked [for the] first time in this movie, and after the scene nobody has [seen] her again. In the group scene, it's possible to watch the naturalness of non-professional girls ... it's my point of view, but I like [that] more than a scene full of professional female performers where it's possible to watch just fake orgasms." Omar adds one more detail about "Ass Madness 2": "The most beautiful scene is the one with Julia, not a big anal performance from her, but she came at least 20 times, full of great intensity and great feeling." He may be a madman, but Omar likes keeping it real.

Omar was mentored by the freakiest Italian of them all, Evil Angel director/stud Rocco Siffredi. And now BMC gets to release "Rocco's POV 5," the latest of his intimate, one-on-one encounters. He recalls some action that might have gotten a little too real: "For sure, Nomi Malone and Jenny Noel was the most funny scene I shot on this particular movie. Nomi was really funny and sexy. The only thing, she ate too much before coming to see me. That was not good for her [before giving] me a blow job ... she threw up everything! Of course that's not in the movie, but the dialogue, yes." The rest of the scenes went down more smoothly. "With Jenny Noel we had lots of fun, and Cathy Heaven, with her huge, deep throat... Teenies like Naomi [a different girl from Nomi] and Silvia are just unbelievable."

Director/suave stud Sean Michaels' "Evil Cuckold" series keeps getting nastier, but what can he say? Horny wives just happen to love humiliating their pathetic, needle-dicked husbands by flaunting their lust for his big, black bone. In the upcoming third edition, Jasmine Blaze, Cece Stone, Baby Cakes and Haley Cummings show up and degrade beta males who could never satisfy them as their alpha stud does. The cuckolded husbands watch haplessly as their women let loose with Sean in unwifely ways they never would at home. Pretty brunette Cece gives up her asshole to a real man in front of her bound, hooded and dog-collared spouse. Natural-jugged Haley shows where her loyalty lies by devotedly licking Sean's asshole. Cece makes her mook mouth-clean the cum Sean leaves dripping on her booty!

ROCCO SIFFREDI

Famed director/performer Rocco Siffredi handpicked the dirtiest, most twisted scenes from his last 12 years of anal adventure and re-edited them for maximum kink value. The result is "Rocco's Fetish Extreme." We asked Rocco if that brand of material might represent the overall direction of his erotic art. "It is one side of my sexuality," he answers. "It is probably the most motivating side because whenever a girl is dressed up with incredible clothes — leather, plastic, latex, including accessories — your mind goes much more fast on your creativity. And the sex becomes more wild, of course."

He was motivated to include 40 of his nastiest sluts in sick, wall-to-wall hard-core scenarios of fearsome dominance and submission. This footage features a wide array of fetishistic attire and accoutrements such as PVC, latex, fishnets, blindfolds, hoods, ball gags, masks and gloves. There's foot worship; candle wax; girl-girl strap-ons and toys; bathroom play; light bondage; choking; drool-swapping and spitting; slapping; milky and oily messiness. All of this comes wrapped in Rocco's style of anal perversion, replete with ass-to-mouth cock sucking and rim jobs. It adds up to a rough, relentless ride of dark, forbidden filth created for extreme satisfaction of the XXX connoisseur's inner fetish fiend.

The new "Slutty Girls Love Rocco 3" shows that whether he's directing or fucking, Rocco inspires twisted devotion. He says, "The first scene is my preferred one, because Denni and Bernice — these two techno teenies were really fun to work with." Rocco had fun creating a bizarre scenario with Lena Cova. "The story, with her being a widow, was really sexy to shoot," he recalls. His idea of grief counseling was to put the gorgeous beauty in his apartment and have two buddies double-penetrate her. Good mourning! Ultimately, Rocco feels that the sexiest girl in the movie was Jessica Rox, whom he paired with Franco Roccaforte. "She's unbelievable," he avers. "I have lots of requests from fans looking for this girl. So please, all my fans: don't miss Jessica Rox." The DVD includes an extra half-hour of POV footage plus another half-hour of behind-the-scenes footage. Slutty girls are like fans — we all love Rocco.

Coming soon is "Aliz Loves Rocco," with the European "Queen Of Gapes" entertaining the Italian Stallion and his international stud posse — see the photos on this page.

Bree Olson

Quirky director Joey Silvera has compiled some of his favorite deep-throat footage for "The 'True' History of Face Fucking Inc," the "Best Of" his long-running extreme blow job series.

You might have paid more attention in your high school history class if they had covered the graphic brand of "social studies" Joey and his stars demonstrate in this colossal double-DVD! Cover girl Bree Olson shows that she was better off in Joey's care than Charlie Sheen's. Crossover star Sasha Grey displays her signature cocksure nastiness. Brandon Iron's thick cock invades supermodel Bobbi Starr's throat. Chocolate beauty Jada Fire is blindfolded and molested by an unknown masked man, who pushes a dildo up her big, black ass and sinks his cock down her throat. Whore *par excellence* Britney Stevens takes on a team of four pricks and masturbates herself to a squirting climax before being showered with semen. Cheerful blonde cutie Christie Lee — a Joey favorite — gags on a huge dick, vigorously bobbing her head, drooling and laughing maniacally. She smokes a cigarette between bouts of crazy, wet sucking. Big butt slut Brianna Love has her gorgeous face used by three guys who cover her in sperm when they're done. Asian sweetheart Miley Villa performs a coughing, gagging, gurgling POV blow job on the director. There's mega-stacked Gianna Michaels, adorable Kristina Rose, über-slut Annette Schwarz, glamorous Chayse Evans, *caliente* Charley Chase, natural redhead Ami Emerson ... the 23 scenes, re-edited into over six hours of primo face-fucking material, are too much to describe, but not too much to swallow!

CHRISTOPH CLARK

"I would like 'Top Wet Girls 10' to be the lesbian DVD of the summer," says director Christoph Clark. He's got good reason to be enthusiastic about it. "The energy and the girls are just top and nasty," he says. "The comeback of the Russian anal queen Sasha and the Hungarian anal princess Aliz [make for] some very good moments." He says Sasha, "did a scene with a so-cute new model, and the love was just perfect."

Throughout the movie, viewers will notice the beautiful clothing on Christoph's girls. "The outfits are special," Christoph says. "I choose the girls' clothes — I want them sexy and hot." But outfits aren't the only reason these girls look so resplendent. "Always my 'Top Wet Girls' are more sexy in front of my camera," Christoph concludes. "All the European girls are so happy in front of my camera."

SUCK IT DRY 9

RELEASE DATE: 8/29

Among the trademarks of director Jonni Darkko are studious attention to photographic detail; his passion for sexy Asian ladies; and DVD extravaganzas devoted to displaying the multiple sexual facets of a single, fascinating girl. Jonni's latest DVD encompasses all of these trademarks. "L For London" delivers the wide sexual world of beautiful London Keyes, just as "E For Eva" (Angelina), "F For Francesca" (Lé) and "G For Gianna" illuminated the many splendors of those performers.

In case somebody doesn't know, London is a gorgeous half-Japanese babe with large, luscious tits; a big, fine ass; a talented mouth; and a tendency toward the most outrageous sex acts. So Jonni has created nine scenes starring this sexy Asian spitfire for a relentless, comprehensive double-disc pageant of lustful London's amazing pornographic skills. Whether it's a multi-man blow bang climaxing in a messy series of nasty bukkake facial blasts ... a girl-girl session of anal toys and strap-on fun with busty brunette Jayden Jaymes ... interracial intimacy with Lexington Steele's enormous black cock ... a four-way spit-swapping suck-fest with sweet Mia Lelani ... a sick, ass-licking threesome with Asian stunner Asa Akira and thick-dicked stud Manuel Ferrara ... or two one-on-one POV scenes with the director himself (involving butt toys, titty fucking and a foot job!) ... young London gives it all she's got. And a lot she's got — it's amazing that a girl of such tender years has experienced all this debauchery, but Miss Keyes makes it all seem so natural. Get ready for four and a half hours of wet, drooling, deep-throat face-fucking; anal gapes; eager butthole rimming and other perversions, all lovingly captured by Jonni's stylish camera work. Whether you already love London or you're wondering what the sexy fuss is about, "L For London" is her ultimate sexual showcase.

Jonni revisits another of his trademarks, sloppy oral sex, in two upcoming releases. The double-DVD "Suck It Dry 9" promises a dozen girls and a dozen scenes of cocksucking, cum slurping reverie. Then comes "Suck Balls 2," another big oral party with special concentration on scrotum swabbing.

MANUEL FERRARA

French director/star stud Manuel Ferrara brings us "Phat Bottom Girls 5," a hymn to the special talents and sexual allure of girls with ample asses. For those who like big butt *(and we can not lie!)*, nothing beats overstuffed cushions for the pushin'. In "Phat Bottom Girls 5" we watch bubble-butt cutie Gracie Glam use a series of exercise machines, her fine derriere practically bursting from her spandex tights. She strips, showers and enjoys an illicit rendezvous with Manuel — face-sitting and rimming lead to a hard-core, male-dominant fuck session and a load of cum in Gracie's pretty face. Swank slut Liza del Sierra teases us in a luxurious fur stole, which she drops to show off her sheer, white stockings and incredibly firm, round rear cheeks. This voluptuous fox soaks herself down in the shower, spritzing warm water over her plump knockers and glistening buttocks. Then Liza seduces beefy, tattooed stud Rico Strong. She slurps his big black cock and gets anally reamed until her fine ass gapes open. Next we're treated to a prime view of amazingly hot porn veteran Inari Vachs and her sweet tail. Inari teases the camera with her muscular buns and services Manuel in a sensuous one-on-one encounter that earns the all-natural beauty a messy sperm facial. Finally, adorable brunette Holly Michaels energetically fucks and sucks Charles Dera. Deep-throating his big member coaxes out a mouthful of tasty jism. Monsieur Ferrara has graciously included eight minutes of behind-the-scenes footage with a movie that gets to the bottom of man's attraction to big, curvy asses.

After five fabulous editions of Manuel's "Phat Bottom Girls" series, it's high time for a retrospective. That comes in the form of the double-DVD "Phat Bottom Allstars." Ten scenes capture the series highlights and showcase the hottest asses in recent porn history. Kristina Rose is a pretty Latina pixie whose ass is little but round and very accommodating. The rest of the all-star bottoms are truly phat — like Charley Chase's god-sculpted butt, Franceska Jaimes' righteous caboose, Ava Rose's big can, Isis Taylor's shapely rear, Monica Santhiago's tattooed backside and Katie Cummings' massive hams. Nikki Sexx and thick-rumped Kelly Divine appear in a scene together. And there's more, plenty to feed the ass-starved multitudes.

Director Raul Cristian's Cruel Media brings us a smorgasbord of his favorite hard-core scenarios: The new "Starstruck" consists of seven scenes, both vignettes and gonzo sessions, with a variety of action to satisfy the prurient gourmand. Cruel Media's Mia tells us about the wild scene in which California Latina Kristina Rose is totally dominated by big, brutish Nacho Vidal and his giant cock. "The way Nacho tamed that woman was phenomenal. He threw her on a couch, put her in doggie [position], put his feet on her head and pumped her till she came several times... We were streaming the scene live. Instead of having a break and just talking with our fans, they preferred to continue fucking and also talk. You don't see that often," she laughs. Ultimately, Nacho abuses the little beauty with his bare feet; viciously fucks her throat and tiny pussy; and leaves a load of sperm all over Kristina's pretty face. Elsewhere, innocent American cutie Gracie Glam gets seduced by a horny couple (huge-breasted, tattooed Angelina Valentine and fat-dicked Manuel Ferrara), who teach the young girl how to catch a man by improving her slut skills. Wavy-haired, spunky blonde Jessie Andrews is a typical American girl selling magazine subscriptions when hot MILF Julia Ann and her husband show this cute teen what men *really* want in a passionate three-way.

Next on Raul's release schedule is the all-girl "My Evil Sluts 8." Mia: "Our members and fans from www.livegonzo.com sent us requests about what babes they want on the next DVD. We selected seven scenes, four shot in L.A. Prepare yourself to see these crazy, wild babes sucking, licking, biting, fingering, fucking each other [with] everything including strap-ons, huge dildos ... and feet sucking and feet fucking!"

Don't miss "Cruel MILF," an epic double-disc release exploring the allure of the seasoned slut. Raul's cast is led by mature porn legend Lisa Ann, along with her enormous tits and magnificent ass. She treats Toni Ribas to a bubble bath foot job and some ferocious banging on the bathroom floor. Beauteous, buxom Julia Ann gets her man's attention with fishnets and a riding crop before an intimate fuck in which Julia squirts all over. Tattooed mom Sienna West rims Erik Everhard's ass, gives him a titty fuck with her immense boobs, jacks his cock with her feet and takes his meat up her ass before drinking his cum from a Fleshlight tube! Featuring mind-blowing tease, relentless anal sex and double-penetration, ass-to-mouth perversion and nasty cum-swallowing, "Cruel MILF" proves there's no retirement age for total sluts!

JAY SIN

Jay's Anal Archives 2
Double-DVD
Release Date: 7/11

Jay Sin is Evil Angel's own rectal ringmaster. Prior to his reign in the Evil Empire, the director's travels took him into the deepest, darkest holes of Eastern Europe and Russia, where he amassed hundreds of hours of raw girl-on-girl rimming and perverted asshole footage with his specialty, monster gaping. Now he's bringing some of the best — much of this stuff has been long out of print — back into the light! In "Jay's Anal Archives 2," sexual play runs the gamut from cute tease and lesbian kissing to ass licking and butthole toys, to hard-core multi-girl ass-to-mouth nastiness, and all the way to mind-blowing acts of sick, cum fart-eating raunch!

So we asked Jay about some of the rad stuff in this collection. "When I was choosing the scenes, I could remember each and every scene in detail! That is how much I loved shooting those scenes, and believe me, the love for pretty girls doing anal sex in front of my lens will be a lifelong passion. Having filmed so many beautiful girls in my early career, it was very hard to [decide] which scenes I would choose, but after a very, very long jerk off session I finally got it down to 12 scenes and 23 hot, gaping girls!"

This sampling from Jay's perverted anal vault features babes with proven anal pedigrees, like naturally busty Luba Love, blonde stunner Lara, sultry Jennifer Stone, nasty Wiska, tasty Priscilla and sweet Cherry Jul, as well as shameless Hillary Scott (pre-boob job) and exotic teen Kat. Jay has distilled these early scenes into their hottest components; the sex action starts out strong and gets more and more wild as the compilation progresses. These beautiful bitches have no limits when it comes to rectal perversion: anal cream pies, ATM, tongue-to-sphincter rim jobs and interracial ass fucking are the orders of the day.

"I hope you enjoy it as much as I did," says Jay. And he promises, "I've still got a some favorite scenes left in the can for 'Anal Archives 3.'"

Anal Casting Calls Double-DVD Release Date: 8/8

Big Anal Booties Double-DVD Release Date: 8/22

Holly Michaels and Missy Martinez

Franceska Jaimes

The newest movies from ass-obsessed director Mike Adriano are "Hot Anal Auditions" and "Anal Casting Calls." So we asked him if he sees the scenes in those DVDs as true tryouts for future XXX projects. "Yes, sure," he says. "If a girl delivers a great performance, I will probably end up booking her again. It is also an audition from the viewer's perspective. The girl is not only auditioning for me, but most importantly the viewers. This is what I like the most about porn."

We naturally wondered who aced her audition and who can expect a call-back. Answers Mike, "In 'Anal Casting Calls' I really liked the scene with Alexa Cruz and Kaylee Hilton. Kaylee's asshole was spread open with a speculum and Alexa was gagging on the cock, drooling in it." Graphic!

In "Hot Anal Auditions," Ava Addams is a cute MILF with an outrageous, all-natural, hourglass figure in her second-ever anal scene. She bounces her big, floppy tits; spreads her gigantic, Texas-sized ass cheeks; then gives Mike some wet, sloppy head, a sensuous tit-fuck and some juicy ass gapes to go with all the butt-fucking. Perky 21-year-old blonde Aiden Aspen really likes anal sex; after slobbing the director's knob, she gets her bunghole thoroughly wrecked by Mike's member and a lighted speculum. He showers Aiden with cum. In a bonus scene with stacked Whitney Stevens, he licks honey from Whitney's all-real jugs, then films a POV BJ/tit-fuck that climaxes in a cum facial. A master of the graphic close-up, Mike focuses on his filthiest obsessions with clinical precision, but his casting generates the most heat because Mike gets the best girls!

His second August release is "Big Anal Booties," and as usual, Mike's title is direct and descriptive. He says fans can look forward to, "amazing butts and lots of anal [fucking]," which he believes, "go hand in hand ... if you're obsessed with some girl's ass, don't tell me you're not gonna want to fuck it. It doesn't get much better than watching girls with fat asses strolling around butt-naked, or on a treadmill. I could watch this all day long. I bought a treadmill especially for this movie." That's exercising good judgment. While Mike finds it hard to select any one highlight of the movie, he mentions that he was, "impressed with Holly Michaels' great body and performance."

NACHO VIDAL

CULOS: NACHO'S BIGGEST ASSES
DOUBLE-DVD
RELEASE DATE: 8/15

Evil Angel director/Spanish slut conquistador Nacho Vidal has spread and plundered a lot of prime XXX butt. Now he's compiled two DVDs' worth of the hottest examples for "Culos: Nacho's Biggest Asses," a collection sure to interest *Buttman* readers. "We have 10 scenes from the best asses I've ever fucked for E.A.," Nacho promises. These stupendous rear assets run the range from the famed (Belladonna, Bobbi Starr) to the exotic (Talita Brandao, Joyce), but all are big, shapely, sexy and very busy when trying to satisfy Nacho's demanding prick.

Memories of past glories both sexy and funny came back to Nacho as he worked to assemble this project. He recalls Belladonna's scene with little-known Fabiola. "Fabiola was a Brazilian stripper," Nacho recounts. "She'd never done porn ... this was her first and last scene. She wanted to do the scene because she was in love with Bella." The best porn always features sexually passionate performers.

The fabulous Ms. Starr wields one of Nacho's prettiest and friendliest asses. "That was the first scene I made with Bobbi, in Brazil," remembers Nacho. "It was pretty intense because we'd just met. I was really fucking horny throughout the POV. Finally I had to hand the camera off to another cameraman because it was getting too intense to shoot."

Many Evil Angel directors have helped to make the frightfully curvy Franceska Jaimes an up-and-coming star. Her spectacular ass is close to Nacho's heart; in this DVD he displays her amazing charms. And "Culos" preserves for posterity the exploits of lesser known Brazilian big-butt freaks Talita, Joyce and Victoria Lanz.

Mysterious Naomi was way too popular to be considered exotic, but her brief XXX career left fans of her perfectly round ass wanting more. Nacho provides what she and fans need in "Culos." "That girl..." he muses, "Every morning when I would wake up, I would put a DVD of her in my computer and masturbate. Finally I had to fuck her, so I brought her to Spain. The next morning she got up, and she wanted to buy some fruit at the store ... she didn't want sugar. When she got back, I saw that she was dressed in lingerie! She said, 'Everybody looked, but I don't care.' So we started to fuck. We fucked so hard, she passed out! I was slapping her, and then I realized she passed out not from fucking, but because she needed some sugar! We fucked so hard ... it was scary, but fun."
